The Auburn Police Department is actively seeking qualified New York State Law Enforcement professionals interested in lateral transfer opportunities. With several anticipated retirements the Auburn Police Department is looking to possibly fill these specific vacancies with lateral transfers so that the community does not experience a loss of service they have come to expect from our police department.

The mission of the Auburn Police Department is to enhance the quality of life in the City of Auburn by working cooperatively with citizenry to enforce the laws, preserve the peace, reduce fear and provide for a safe environment in a way which strikes the optimum balance between the collective interests of all citizens and the personal right of all individuals.

The Auburn Police Department recognizes that each member of our team brings unique talents and skills to the job. We offer a challenging work environment with promotional and specialization opportunities for the dedicated professional.

The following qualifications must be met by all active law enforcement personnel wishing to apply for lateral transfer to the Auburn Police Department. **You must:**

- Have successfully completed the New York State DCJS Basic Course for Police Officers
- Have successfully completed a one (1) year probationary period
- Have a clean service record
- Submit to a complete background investigation.

Please note: Based on an opinion rendered by the New York State Department of Civil Service, the Auburn Police Department is unable to accept lateral transfers from the following categories of police officers:

- Part-time Police Officers of New York State
- Any Police Officer outside of New York State
- New York State Troopers
- New York City Police Officers
- SUNY Police Officers

If you feel that you have the experience, talent, drive and motivation to be part of our team and meet the above listed requirements we ask that you submit a letter of interest and proof of qualification by January 7th, 2017:
